

Facsimiles of Abraham

Roald Peterson

Doing the Works of Abraham (Fac. 1)

Satan's followers seek our destruction

1 hand down to minister, 1 up to receive grace from above when we give grace to those below us – we become a conduit for Spirit & it sanctifies us.

Receive the Endowment (Wear Garment)

Doing these things places us above every nation, kindred, tongue, & people. They become our stewardship

Altar of Sacrifice (Live this law – willing to sacrifice all – even our own life. This places us above the world)

Satan is the Lizard below all (lost his legs and became a snake)

6 Levels = our preparation before and during mortality. Christ's sacrifice (altar – duality) lifts us to the 7th level (fullness)
